In the name of Allah the most merciful the most gracious

Our honorable Sheikh, may Allah's mercy and peace and blessings be upon you...

I ask our mighty God that you are in good health and I hope that God grants you success and victory and support.

Furthermore:

- With regards to the lists and suggested classification, and in relation to the scholars (associated with knowledge), we did send to you our opinion and the opinion of the brothers in the "legitimate council." In summary, we don't favor the idea of classifications and lists with regards to the ones "associated with knowledge," because we are afraid of limitations and mistrust and so on. And we do see the issue to be left as is. I, personally, and the brothers, share the same opinion with regards to increasing the criticism dose and revealing and exposing scholars and evildoers. I pray to God not to increase them (TN: scholars and evildoers), because with all thanks to Allah, we have (a group of brothers who speak in our minarets) the power and the credibility and trust and stability within the nation's masses, which qualifies them to say few of the harsh words which are accepted by them (TN: The nation's masses). Also, large numbers of the rotten ones who are associated with knowledge and Da'wa are visible to the point that we can talk with confidence about them and reveal their defects, etc.

The issue with regards to the ones associated with knowledge and Da'wa has more sensitivity than other issues.

But, with regards to the educated and writers and thinkers and infidel reports and the masters of pen and paper who fight against God and the prophet and the companions, those we agree on publishing their lists and classifications. At the beginning, it would include a group of the "rotten heads" with addition to a profile on each person and personal photo if possible, and then we will publish it with God's help.

I did request from our brothers in the Jihadi media net to begin preparing these lists and folders and information so that it can be useful to us, and God is the one who grants success.

And with regards to the discussion about "Al Rafidah" (TN: the rejecters, or Shiites) and their danger, and the danger of the Iranian al-Safawi al-Majusi (TN: Safavids), the discussion that you sent us is pleasant and we are in the process of forwarding it (we might alter few of the statements, or add suitable ones) to the people of knowledge as suggested by you. With regards to Hamid Al-('Ali)), it is an easy matter, it is not complicated for us to send it to him (God willing), but we also plan on sending it to other brothers, and God is the one who grants success.

Of course, with regards to Hamid Al-'Ali and the individuals around him, we say, "Don't advise an orphan how to cry." They are concerned with the "Rafidah" (TN: Reference to Shiites) and their danger is of great interest; in fact, they are overstated. They used to write to us and blame us for being negligent with regards to the "Rafidi" (TN: Shi'a) issue, and blame us for not envisioning the Iranian Rafidi danger and others, and they used to say, "The "Rafidi" danger is greater than the American danger!!" And so on...

Either way, we will work hard to send your discussion to Sheikh Hamid.

- With regards to the Iranian relationship and the problem with our detained brothers, we bring to you good news that they released a group of brothers in the last month (one group at a time), and all thanks to God the mighty. And the following individuals arrived to us:

- 'Abd-al-Muhayman Al-((Masri) and his family.
- Salim Al-Masri (from Jihad group) and his family.
- Abu Suhayb Al-((Makki) (originally from Yemen; during the crusaders offensive he was accompanying Sheikh Aba Sulayman Al-Makki Al-((Harbi))), and his family.
- Abu Suhayb Al-((Iraqi)), and his family.

- Al Zubair Al-((Maghribi)) (A brother who worked with the Libyan fighting group), and his family.

- And on the way now (maybe he is in Quetta or close by, the important thing is that he crossed the Iranian borders, and asks God to keep him safe) Khalifah Al-Masri, and his family.

And all thanks to God, the lord of both worlds.

They did send a message with the coordinating brother (a brother from Baluchistan in Zahidan; he is the one who they hand over to the brother and then he sends them to us) that they are going to hand over the family of Azmarai soon or maybe within a week, that is what they told him, so that he may make preparations for their travel to us.

They told him (TN: the brother from Baluchistan in Zahidan) the family (women, children, no men), that's what they told him...we ask God to ease their matter and to bring them safely, and to rescue everyone from the ones who are gone astray.

From our side, we are ready to receive them and working on facilitating the matter, and God is the one who grants success.

And what I mean is that they speeded up releasing the brothers during this period. And those brothers are mid-level brothers.

And they leaked to a few of the brothers who were released that in the near future they are going to release more groups of brothers. God knows.

And it is possible to include the following in the next group: Aba Hafs Al-((`Arab)), Aba Ziyad Al-Iraqi, Aba `Amru Al-Masri, and others...

And we ask God for the release of the others (old ones and young ones)...Amen.

And we think that our escalation efforts (which include political and media "verbal" and the threat which we sent to them, and the apprehension of their associate, the trade deputy in the consulate in Peshawar; and other things they saw from us,

brought fear to them), could be one of the reasons for a speedy process on their behalf.

But, they (the criminals) did not send any messages to us, and they did not talk to any of the brothers about it. (TN: Could be reference to releasing the brothers)

Of course, this is nothing strange coming from them; in fact, this is their mentality and method. They don't want to show that they are negotiating with us or reacting to our pressure, they just do these acts to appear as if it is one-sided and as a matter of initiative on their behalf.

We ask God to repel their evil... Amen.

- I did send to Aba Muhammad your forthcoming project about the economic crisis, and he responded by sending a few remarks, and I did see in his remarks plenty of similarities, including removing a few statements which we saw unsuitable...etc.

Unfortunately, I think I misplaced his letter and I cannot find it right now.

This is all I could think of, and may God bless you.

- Also attached are a few text files from the net. And if we are able to, we will send you a hard disk which contains several useful subjects from the net. Can we send a hard disk to you?

We ask God to care after you and support you...Amen

And may peace and God's mercy and blessings be upon you...

Your loved one

`Atiyah
