In the name of the merciful Allah
Praise Allah, Peace and prayers on Allah’s Prophet, Muhammed bin Abdullah
To the respectful dear brother Yacob (Jacob)
Allah knows that we love you and respect you. About what I have done these days, it is a big mistake, I admit, regardless of the reasons. My brother and teacher; I ask Allah, and then you for forgiveness and pray to Allah to forgive me and lead me to the success. I was troubled, emotionally, I had a strong argument with one of the brothers and the devil was attacking me to the point that I thought about quitting the training course to avoid doing something regretful. Brother Yacob; I trust you and Allah is our witness, do not tell anyone about this. Please forgive me, please forgive me. I wrote this letter with embarrassment. Thanks to Allah, our situation is fixed now, and I am better. Abu Yacob, I am ready for whatever you wish, Allah forgive us, and that is all I have. Peace is with you.

Praise Allah, Peace and prayer on the most gracious prophet, our master, beloved, leader and idol

Muhammad al-Amin al-Mustafa mercy to the worlds, may Allah bless him and his family and friends:
My brothers in Allah, peace upon you,
This is a commandment of Allah from your poor brother Youssef al-Dawseri, it’s a brief commandment because the few good words I ask you all, before you the Mujahid Sheikh Abu Abdullah Usama (Osama) Bin Laden and his brother, the Sheikh, the faithful, the patience in the crisis; Abu Fa’aas the Commandant and the two brothers Aba Khalid (Seif al-’Adel) and Aba Miriam (Abd al-Qader al-Ziyat) and all Mujahedin to forgive me if I offended you whether knowing or not knowing and pray for me that Allah will receive me as a Martyr not from the failures.

- My advice to you and especially those mentioned above; strong patience at the crisis, and do not pay attention to the fake world. I swear to Allah, you are the richest people on earth at this time, stay in this righteous way so you gain the honor of those blessed from Allah.... And remember, the acts are (evaluated) by the end results. Ask Allah for the courage and strength and do not be fouled by the propaganda, stay away from the gathering of the unpredictable, keep the group prayers (al-Jamaa) and increase the repentance because it’s the key to everything and do not forget to revenge for me from the Jews and the Crusaders ... revenge...they killed my fathers- my mothers- my brothers- my sisters- my children- my uncles in Palestine, Bosnia, Kashmir, Somalia and Kosovo – do not let them sleep or rest.

- Brothers; my family in the country, tell her that I was killed in the name of Allah, so, she rest, she is free, if she wishes to get marry or not, and follow up with her on the long-run, she wishes to stay in the country but she has a plan to send the children to Jihad sites when they are older.

- We ask allah to pay your debts- your brother is in debt to the Sheikh Abu Abdullah Usama (Osama) Bin Laden for $500.00 US Dollars, I borrowed when my mother was sick, from (the
Somali Cell’s Amir), the brother; Abd al-Wakeel, Allah keeps him safe. (my telephone number in the country 00-269-73-33-42 (please send the attached letter to my wife)

TO my wife, my love and my dear, Umm Luqman Halimah the daughter of Bader Al-Din Husain Fahdil / Allah would protect and take care of her,

Al-Salam Alaykum ……

It came to my knowledge that you wished to meet me before I depart from this life which is fake and will come to an end no matter what. But the destiny is to meet Allah but we didn’t meet yet. He(refer to Allah) had chosen me to fight for him and picked me to lead lots of the believers and to be martyred for him not for the sake of this life or anything else, don’t forget to thank Allah several times and to know that we will meet in the future at the day of judgment in heaven, Allah willing. My advice to you is to set prayers for the sake of your sons and their father (referring to himself) cause you’re a faithful woman for that Allah will listen to your prayers.

Every prayer you sat for me Allah answered.
You wished that Allah will end my life as a martyr died for his sake sooner than later and your wish was granted. My Family (referring to his wife), My precious dear, you’ve the freedom to get married and it’s your decision, regards to the brothers and sisters tell them that I didn’t die but I’m a martyr, Allah willing, living with Allah. In the name of Allah the most merciful the gracious

Thank Allah is he the only one to be thanked no one else after or before and he is the one to deliver what he promised.

I testify with my testament with complete faith and satisfaction and trust that Allah is the one and only has no partner and testify that Muhammad is his servant and prophet who delivered the message and conveyed the trust and counsel for this nation. May Allah prayers and his peace will be upon him and his relatives and followers more peace and then:

Al-Salam Alikum My brother in Allah

To grant going to Heaven is precious so we have to pay the high price by seeking Allah satisfaction and gain his mercy which without it no one would be able to get to heaven even an appointed prophet.

The certification for Allah is a wish not a goal, granted not given.

Life is good and nice but at Allah place is even better and greater.

The devil is our enemy and we will not defeat him but with Jihad.

Allah granted some of us with wealth to spend for his (Allah) sake.

And others granted them with knowledge to spread it and Allah will reward them for that.

But for others Allah didn’t grant them anything but he wasn’t unjust as he grants wages according to everybody’s intentions which are impeded inside the heart.
