[REDACTED]

Where does individual spend most of his time: Unidentified locations on the west side of Mosul

Exploitation info: Abu Arab appears educated, but detainee denies knowing details of his education. Detainee does not know Abu Arab well enough to describe Abu Arab's personality

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]: Detainee did not appear deceptive during this description.

[REDACTED]

Detainee reiterated his denial of knowing the location of Khalid's home. As a security measure, Khalid has never spoken about where his home is located. Detainee does not know the location of interest [REDACTED]. Detainee did identify the general location as the Hayy al Arabia neighborhood located north of Mosul. Detainee denies this house resembled Harith's house. [REDACTED]

Part IV: Remarks:

[REDACTED] Detainee seems to be more cooperative with every session.
